

Call for Exhibition/Sponsorship

We cordially invite you to apply for exhibition/sponsorship at the 17th IEEE International Conference on Nanotechnology (IEEE NANO 2017) to be held July 25 – 28, 2017 at the Pittsburgh Marriott City Center in Pittsburgh, USA.

The IEEE NANO conference is sponsored by the IEEE Nanotechnology Council, which was first launched in 2001 and has since then been the focus of nanotechnology activities in IEEE and more generally, a most important focus of the nanotechnology community worldwide. The conference aims to bring together researchers and developers from academia and industry as well as entrepreneurs and funding agencies leaders in the general area of nanotechnology. IEEE NANO 2017 will provide a forum for the exchange of ideas, interaction, networking and collaboration for research and development in nanotechnology with special attention to the latest advances in nanotechnology. The average number of conference attendees is 500 and we expect more than 500 attendees this year.

Exhibition/sponsorship at IEEE NANO 2017 will provide you with direct access to hundreds of great scientists in the area of nanotechnology from all parts of the globe. The international audience at IEEE NANO 2017 makes the exhibition an outstanding event at which you can promote your company and products, assess the state of the market and the industry's future needs and trends. Involvement as a exhibitor/sponsor of IEEE NANO 2017 is also a cost effective and high-impact way to provide existing and new customers with ideas, products and answers. The options set out indicate the opportunities for contributing to IEEE NANO 2017. Benefits will be consistent with those provided below and all exhibitors/sponsors will be acknowledged in the conference program book and its website. Please contact the following Exhibitions Chair and Co-Chair or the conference secretary for more information on the exhibition/sponsorship details .
